THE MEADOW BARN

AT STRATFORD PARK

Why choose a Twixmas wedding?

1. Festive Atmosphere

Christmas naturally brings a warm, joyful, and romantic atmosphere with twinkling lights, rich colours, and cozy settings. The Meadow Barn is already beautifully decorated, which can enhance your wedding aesthetic and reduce decor costs.

2. Time Off Work

Many people take time off during the holiday season, making it easier for guests to attend your wedding without needing extra leave. It can also make for a more relaxed and extended celebration.

3. Seasonal Styling

You can take advantage of beautiful winter elements—think faux fur shawls, velvet dresses, mulled wine, seasonal foliage, candles, and festive florals. It creates a warm and inviting mood that's perfect for a romantic celebration.

4. Family Togetherness

Christmas is a time for bringing loved ones together. A wedding during this season adds an extra layer of meaning as you celebrate love surrounded by friends and family.
